This Business of Ours

"We do not live by bread alone" may well be applied to your business or ours—the nursery business. Each year when it is time to prepare and mail our new catalog, we are again reminded of the purpose we serve—That of giving the best we have to our fellow men.

When my Dad passed on we tried to serve his customers as he would have. This is the 37th year for OAK HILL NURSERY, the oldest nursery in SOUTHEASTERN MICHIGAN, and a "bright spot in our life"—a go-a-head sign from you.

In gardening there is a haven from the mad rush of our modern way of life. In planting and watching things grow we can escape the turmoil and find release from tensions built up keeping pace with this fast tempo. Many doctors today heartily recommend the wonderful therapeutic value of a simple garden! The work we do is important. Let's be proud that we are workers!

Due to present day conditions, upon delivery of goods to Post Office or Express office our responsibility will cease. We have no control of shipment after it leaves our hands. If any replacements are to be made they shall be at 1/2 list price. All plants are guaranteed to be in live and perfect growing condition when they leave our hands. We will in no case be liable for any greater sum than the amount paid us for any order sent us. All stock is guaranteed to be certified by the State of Michigan.

The constancy of your friendship and patronage is rich reward for our hard work and sincere effort in striving to give you quality plants and prompt, faithful service. You understand when things go wrong; you applaud when the performance is good. We pledge our continued effort toward bringing you better plants and better service.

MIXED DAHLIAS
